A Word from OFSAA's Executive Director

Another season of high school athletics is upon us and coaches across the province have begun the annual ritual of tryouts, practices, planning, counseling, and providing an important educational and sport experience for Ontario's student-athletes.

For many coaches and students, a trip to an OFSAA championship is the ultimate goal. When coaches and students hear the name 'OFSAA', most immediately associate it with provincial championships for high school sports. OFSAA has a total of 46 championships and 4 festivals on its calendar of events in 19 different sports.

But while OFSAA is usually synonymous with championships, the organization has evolved from being a regulatory/governing body offering championships, to an organization that provides a **wide range of programs and services that support the mandate of 'education through school sport'**, and I'd like to take the opportunity to provide you with more information as they may benefit your students and coaches.

Coach Education

The **Women's Sports School and the Coaching Symposium** are each held on an alternating basis every two years. These are two-day conferences designed to train teacher-coaches in a variety of areas and provide practical components they can take back to their schools. This school year, the Women's Sports School will take place at Brock University on May 3 and 4.

We also offer the NCCP accredited **Coaching in Ontario Schools** program, which is a three and a half hour course that provides teacher-coaches and community volunteers with the special skill set and understanding they need to effectively coach in the school environment. Delivery of this course is coordinated through schools, school boards, and faculties of education and over 1,000 people took the course in 2010-11.

Student Participation

OFSAA has also made a significant effort to provide direct support to schools as they strive to offer opportunities for students. **The Try Day and Bridging the Gap** programs both help schools by providing funding and resources. Try Day allows schools to access up to \$700 to help introduce a new sport or non-traditional activity to students, while Bridging the Gap partners secondary schools with elementary schools and provides free equipment and resources to both schools. It also provides a leadership opportunity for secondary school students.

Recognition

Schools may access, at no cost, the **Colin Hood Award**. Named after OFSAA's former executive director, this award is available to one graduating male, one graduating female, and one coach in every school in the province, who are committed to the success of school sport.

OFSAA also has other awards to recognize teachers including the **Leadership in School Sport Award and the Pete Beach Award**. For student recognition, there is the **Character Athlete Award**, which celebrates student-athletes who embrace OFSAA values in their schools.

Scholarships

OFSAA has developed partnerships with groups to provide scholarship opportunities to students moving on to post secondary education in Canada. These scholarships are provided by the Toronto Maple Leaf Alumni Association, the Brian Maxwell Foundation, and the OFSAA Alumni Association.

Resources

Some of the other programs and services offered by the Federation that schools and coaches should be aware of include tournament sanctioning, and an online store for ordering score sheets, rule books, and manuals. There is also a poster for schools to post which promotes proper spectator behaviour. A second poster discourages the use of performance-enhancing drugs. Both are available free of charge from the OFSAA office. A travel grant is also available for schools travelling to OFSAA championships to help offset some of their costs.

These are a few highlights of some of the programs and services offered by OFSAA. Please contact a member of our staff if you have any questions and to learn how your school may benefit. I also encourage you to visit our newly designed website at www.ofsaa.on.ca and you will be able to access more information.

Best wishes for a productive and rewarding year.

TRYday News

Funding Allocated for 2011-12

The OFSAA Grade 9 Try Day program is full for the 2011-12 school year.

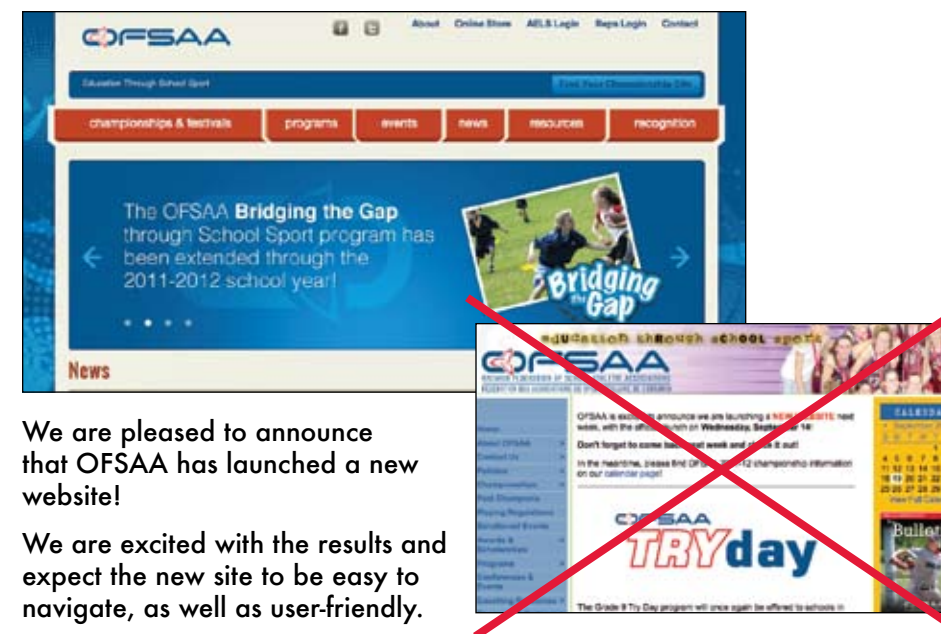

The Ministry of Health Promotion and Sport has provided grant money for 95 schools to introduce a new or non-traditional sport or physical activity into their physical education program in 2011-12.

These Try Day programs have proved very successful in past years, enabling schools to add a variety of new and exciting sport programs and to offer new challenges for their students.

We thank the Ministry for their continued support.

To view the Try Day photo gallery, visit www.facebook.com/OFSAA.

OFSAA Launches New Website

We are pleased to announce that OFSAA has launched a new website!

We are excited with the results and expect the new site to be easy to navigate, as well as user-friendly.

You will be able to find all of the information present on our old site, along with some new information, features and pages! Please browse around and let us know if you have any questions!

Scan this code on your smart phone and check out our new site right now!

Bridging the Gap Program Extended

The Bridging the Gap through School Sport grant has been extended for one more year to allow more schools to take advantage of the opportunity. Through a grant from the Ministry of Health Promotion and Sport, secondary school leadership students may teach students in their elementary feeder schools flag football, flag rugby, and ultimate.

This was a win-win situation, as it gave the leadership students an opportunity to develop their skills, introduced a new sport to the local elementary school, and provided both schools with equipment and resources so the sport could continue in future years.

School applications will be accepted in the following order:

1. Schools applying for the first time to conduct the 'Bridging the Gap' program.
2. Current schools participating in the program but working with a new elementary feeder school.
3. Current schools participating in the program but choosing a different sport.

Full details and application form is found at www.ofsaa.on.ca/programs.

OFSAA Staff Member Welcomes New Baby

Congratulations to Assistant Director Lexy Fogel and her husband Mark, the proud parents of their first child, a baby boy!

Hudson Simon Edwin Fogel arrived on June 27 at 5:44 p.m. Lexy says he was 7 lbs, 3 oz of awesomeness, with a full head of black hair.

Everyone is happy and healthy, and Lexy is enjoying being a mom!

The entire OFSAA family sends its sincerest congratulations to Lexy and her family, and we wish her the best while she is off on maternity leave!

Welcome Elizabeth Harris!

OFSAA welcomes Elizabeth Harris to its office team. Elizabeth will be taking over the role of Assistant Director for Lexy, and will be responsible for OFSAA Girls' Championships, Swimming, and the Women's Sport School.

Elizabeth joins us after completing a contract as a Volunteer and Special Events Coordinator within the Recreation

& Parks Department in the Town of Halton Hills. Prior to that, Elizabeth was the Women's Artistic Gymnastics Program Manager at Gymnastics Ontario.

Her education background includes a degree in Recreation & Leisure Studies from the University of Waterloo. Elizabeth is excited to join the staff and volunteers at OFSAA and looks forward to the upcoming 2011-2012 season.

Elizabeth may be contacted at Elizabeth@ofsaa.on.ca, or (416) 426-7436.

Changes to OFSAA Playing Regulations

Eligibility

In order to accommodate the participation of as many students as possible, an addition was made to the OFSAA eligibility rules which states, "A student may only play on one team in the same sport (team or individual) at the OFSAA level during a school year."

Nordic Skiing

The OFSAA Nordic Skiing Championships have added a Demonstration Event to the championship for Para-Nordic and Special Needs Athletes.

Badminton

a) In years where any date(s) of the Canadian Junior Badminton Championships and the OFSAA Badminton Championship overlap, any competitor registered in the Canadian Junior Badminton Championship will not be eligible to compete in the OFSAA Badminton Championship.

Swimming

Each event winner from the Association Swim Championship meet, or from an OFSAA qualifying meet may enter OFSAA for that event plus any swimmers making the time standard for the event at the association qualifying meet. Thus, the Top 32 rule has been removed from the playing regulations.

Golf

An association may enter a maximum of seven golfers with a score of 110 or less on a minimum par 70 course. Each association may enter their top three golfers regardless of their score. The host Association will be permitted to enter two additional golfers. Additional association entries will be added at the discretion of the convenor using a random draw. Field size is limited to a maximum of 128 golfers.

Volleyball

The OFSAA Boys' and OFSAA Girls' Volleyball Championships will now be held over three days. In this transition year, please check the OFSAA Championship calendar in this publication for which championships will be

operating in the old two-day format and which championships will be operating in the new three-day format. Please see the OFSAA Volleyball playing regulations for the new three-day schedule format.

The OFSAA Boys' Volleyball Championships shall be held on the Thursday, Friday and Saturday of the 12th weekend following Labour Day unless extraordinary circumstances dictate a change.

The OFSAA Girls' Volleyball Championships shall be held on the Monday, Tuesday and Wednesday of the week immediately prior to the March break unless extraordinary circumstances dictate a change. Play should be completed no later than the Wednesday immediately prior to the March break.

All matches in pool play (round robin) shall be best two out of three sets, and all matches of the playoffs (consolation and championship quarter finals, consolation and championship semi-finals, consolation finals, bronze medal match, and gold medal match) shall be best three out of five sets.

Championship and Festivals

Appendix 7 be replaced with the following:

a) OFSAA Championship and Festival

The OFSAA Championship Review Committee shall receive and evaluate reports from all OFSAA festivals and championships annually to ensure approved criteria is being met and shall, from time to time, make specific recommendations to the respective Sport Advisory Committee for improvements in order to maintain their current status as a festival or championship.

Each festival and championship will also undergo a "hard review" every three years to determine whether the event status of a sport should be changed or maintained and provide these recommendations to the Representative's Council.

Teacher-Coach Training Update

OFSAA continues its partnership with the Coaches Association of Ontario and teacher-coaches are encouraged to visit the CAO website - www.coachesontario.ca or a Provincial Sport Organization website for a schedule of NCCP training programs.

These programs will keep teacher-coaches updated on current coaching theory and techniques, and help teachers with not only the new terminology, but also the latest integration of the Canadian Sport For Life document, with sport-specific technical training.

OFSAA's Coaching In Ontario Schools - Secondary course continues to be offered to Associations, District School Boards and Faculties of Education across the

province. The NCCP-accredited course launched in September 2010 in Thunder Bay and spread right across the province, including stops in Englehart, North Bay, Windsor and Ottawa. Over 50 courses have been conducted, training over 1100 coaches. The newly revised 3.5 hour format gives teachers and coaches the skills they need to coach effectively in the secondary school environment. The on-site workshop covers OFSAA rules, school and Board administrative information, long-term athlete development theory and the Ophea Provincial Safety Guidelines.

Contact Michael Suraci at Michael@ofsaa.on.ca for more information.

OFSAA Sanctioning for Events 2011-12

Some Important Reminders for the School Year

Check the OFSAA website under "Sanctioned Events" for:

- Necessary forms for requesting OFSAA sanction
- Guidelines for invitational events requiring OFSAA sanction
- OFSAA-sanctioned meets and tournaments hosted in Ontario for all sports
- OFSAA approval of schools that plan to attend events in other provinces
- OFSAA approval of schools that plan to attend state or NFHS-sanctioned events in the US

Schools that receive OFSAA-sanction to attend invitational events MUST:

- Have a teacher as the supervisor of the students

- Make sure all participants are eligible under OFSAA and Association rules and regulations
- Have the permission of their school principal

Hosting an OFSAA-sanctioned Event?

- Get your request for OFSAA sanction in early and well before you send out information to schools
- Make sure you indicate in the initial mailing that the event is OFSAA-sanctioned
- If you are inviting schools from out-of-province, you must submit both the forms to host Ontario schools and Interprovincial schools

Should you have any questions regarding sanctioning to host or attend invitational events, contact Diana Ranken at diana.ofsaa.on.ca.

OFSAA and KidSport Offer Financial Aid for School Sport

OFSAA and KidSport will be continuing the grant program that allows student-athletes to apply for financial support in 2011-12. Students may apply for up to \$250 per school year to cover their participation fees of any interschool sport teams they otherwise would be unable to afford.

Funds will be allocated on a first come, first-served basis. A student may apply as many times as they wish, however

they may only receive a maximum of \$250 in the current school year.

Once approved for funding, a school official must confirm the student is participating in the sport before funding is released.

Brian Maxwell Scholarship Recipients 2011

Named after successful distance runner and co-founder of Power Bar, the Brian Maxwell Memorial Scholarship is awarded each year to two student-athletes who have participated in track and field or cross country throughout their high school career, and are continuing their post-secondary education at a Canadian college or university.

This year the scholarship was awarded to **Tristan Woodfine** and **Chelsea Mackinnon**, who both received awards in the amount of \$5,000. Two additional student-athletes also received Recognition Awards of Excellence for \$1,000 each. These recipients were **William (BJ) Cunliffe**, and **Laura Morrison**.

All four recipients were honoured at an awards luncheon at the Sport Alliance building in August, which featured family, friends, and former teammates of Brian Maxwell.

These four individuals are all exceptional student-athletes, each of them possessing OFSAA's values of leadership, commitment, respect, and equity. We know they will be successful in their future endeavours, and we wish them all the best!

Tristan Woodfine
graduated from Opeongo High School in Douglas Ontario with an average of nearly 90%.
Tristan competed in cross country and track throughout his high school career, and in Grades 9-11 placed first (Grades 10 and 11) and second (Grade 9) in the OFSAA Cross Country Championship.

Tristan also competed in the OFSAA Track & Field Championship in Grade 9 and finished first in both the 1500m and 3000m.

In his school, he has acted as a mentor to junior students participating in distance running, and has assisted with several

endeavours in his community.

Tristan is off to the University of Guelph this year, studying Criminal Justice and Public Policy.

Chelsea Mackinnon graduated with a 93% average from Westdale Secondary School in Hamilton, and will be studying Health Sciences at the University of Guelph.

Chelsea Mackinnon

From Grades 9-12, Chelsea has placed in the top 10 every year at both the OFSAA Cross Country Championship and in the 800m at the OFSAA Track & Field Championship.

She has also been a finalist in several other events including the National Track & Field Championship, Junior Provincial Championships, and the Ontario Summer Games. She has been both the Hamilton City Cross Country and Track and Field champion for the past 10 years.

Chelsea was a member of her school's Athletic Council, Music Council, band, orchestra, waterpolo team, and Alpine Ski team. She has also participated in many efforts in her community.

BJ Cunliffe

William (BJ) Cunliffe is a graduate of Courtice Secondary School, where he finished with an average in the high 80s, and qualified for OFSAA every year in both Track and Field and Cross Country.

BJ also placed first in the 2011 Hamilton Indoor Games, fifth in the 2011 Nike John Rowland Games, and participated in the IAAF World Youth Track & Field Championships in Italy. Pretty big accomplishments!

In his school, BJ was a member of the soccer team, holds nine school track records, mentored younger students as a peer tutor, and participated in countless other extra-curricular activities.

BJ is attending Simon Fraser University this fall and studying Psychology.

Laura Morrison graduated from Catholic Central High School in London with a 95% average, and is at McMaster this fall taking Health Studies.

Laura has competed in both the OFSAA Track and Field and Cross Country Championships, and has also participated in hockey, badminton and golf at her school.

She was also on her school's student council and spirit club, mentored younger students, participated in school fundraising events, and coached house league soccer.

Laura has been active in her community as well, volunteering at church activities, at after school children's programs and summer camps, and fundraising for various other community efforts including the Make a Wish Foundation, and Run for the Cure.

OFSAA Alumni Scholarship Recipients 2011

OFSAA's Alumni Association supports student-athletes moving on to post-secondary education through the scholarship fund. For the past seven years, all funds donated have provided scholarships of \$500 each to student-athletes in different member associations across the province.

Four students were selected to receive the 2011 OFSAA Alumni Scholarships. The calibre of students applying is a positive sign for the future, as all were worthy candidates and the decision by the selection committee was a difficult one. Many thanks to all students who applied.

Lauren Kanko (TDSSAA)

While attending Martingrove Collegiate in Etobicoke, Lauren took part in cross country, basketball, volleyball, hockey, soccer, and track and field.

She was also very involved in other aspects of school life, including the Girls' Athletic Council, Music Council, Student Council, serving as President in her final year, and the Leadership Program.

Lauren's high academic achievements are a tribute to the type of person she is, considering her extracurricular activities. Her love of sport continues into her community programs as well.

School sport has helped her stay focused, be organized and punctual, and has given her goals to strive for and skills to improve upon. The confidence gained from sport has permeated into her classroom setting.

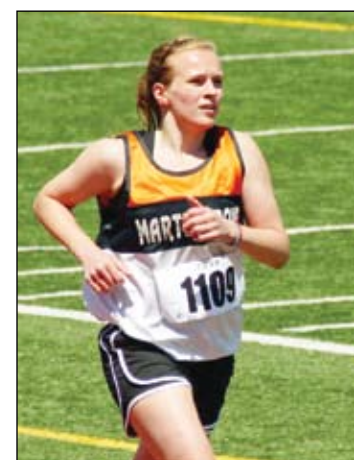

Her teacher-coach says of Lauren, "She is a hard working, respectful young woman who will achieve greatness in whatever she undertakes. She has earned the respect of both her peers and staff."

Lauren is studying kinesiology this year, and we wish her all the best!

Ian McClure (WOSSAA)

Ian attended Oakridge Secondary School in London and participated in volleyball, rugby, badminton, and track and field.

He contributes to his community by working for local charities, helping

at tournaments, and taking part in charity runs. He helps coach junior teams and runs tournaments for the elementary schools as well.

School sport has taught Ian the important skills that he has been able to apply to all aspects of daily life. He learned that believing in oneself will go a long way towards winning, and that being able to play the game is a reward in itself.

As a high school athlete he has been proud to represent his school and considered it an honour to do so. Ian is also very aware of the people in his life who have given so generously to allow him to participate - teachers, coaches and his parents. He believes school sport has helped shape him into a healthy, whole and caring person.

"Ian's leadership ability, integrity, and good sportsmanship are consistent and easily recognized by his peers and coaches," Ian's coach said.

We wish Ian success as he pursues a science degree at the University of Guelph.

Christine Ackerly (LOSSA)

As a student at Sinclair Secondary School in Whitby, Christine enjoyed the sports of volleyball, badminton and alpine skiing.

While achieving top academic marks, she still found time to be involved with the school newspaper, the concert choir, the environmental club, and the Leadership and President's Councils. In the community, Christine continued to be involved in sport and volunteered with several groups including the Whitby Youth Council and the Oshawa Hospital Foundation.

She believes true character is most clearly demonstrated

by what a person does. Her mentors, coaches, teachers and especially her parents, have inspired her to improve, not only academically, but as a community member, and to commit to giving back to society.

“Christine’s academic achievements, athletic contributions, and school and community service have distinguished Christine as a leader who will no doubt accomplish great things,” said Christine’s principal.

Congratulations, and all the best as you start the next phase of your life in the Communications and Journalism program at Carleton University.

2012 Alumni Scholarship Applications

The 2012 Alumni Scholarship is available to students in NEOAA, CWOSSA, COSSA and TDCAA. Deadline for receipt of applications is April 1st, 2012. Criteria for this scholarship and an application form are on the OFSAA website under ‘Awards and Scholarships’. Four students will be selected to receive a \$500 scholarship from the applications received by the deadline. All applications must be sent by mail or courier. No faxed copies will be considered.

OFSAA Boys' A/AA Field Lacrosse Festival

Aurora May 31 - June 1, 2011

Although the months of May and June can be exhaustive for OFSAA convenors with all the championships taking place, there may not have been a busier convenor than Greg Reid from St. Andrew's College (CISAA), who, in the span of just over two weeks, convened both the OFSAA Badminton Championship and OFSAA Boys' A/AA Lacrosse Festival.

Using the facilities at St. Andrew's College, a strong field of teams competed over two hard-fought days for the chance to capture the gold medal. Day one proved to be the most challenging with temperatures bringing the humidity into the plus 40 degree range. Athletes and coaches did whatever they could to stay cool but by the afternoon matches it was obvious the heat was taking a toll on players.

Once participants had a chance to cool off and clean-up they returned to St. Andrew's College for the festival banquet which took place in the school's beautiful dining hall. Students and coaches were treated to a delicious meal before hearing from guest speakers who spoke about the opportunities to pursue lacrosse both in the NCAA and CIS, emphasizing the point that although it takes hard work and practice to achieve post-secondary lacrosse goals, the most important aspect that will get you there is through dedication to your studies and getting good grades.

Day two saw the playoff format begin and the intensity on the field heat up. Top two seeded teams Hagersville and McKinnin Park were both upset in the semi-finals placing Holy Cross (COSSA) in the final against the host school St. Andrew's College.

Although Holy Cross had now made it to the finals the

last three of four years without capturing gold, this time they were not leaving without taking the festival title, and capturing the final game in a 11-5 win.

Congratulations team members to Shane Alexander, Brad Angevaare, Tyler Brodie, Justin Cavanah, Mike Cavanagh, Chris Clancy, Dustin Cook, Josh Currier, Jesse Davis, Chris Ephgrave, Troy Evans, Turner Evans, Josh Gilbert, Luke Grills, Nicholas Hildendrand, Josh Hiltz, Colin Johnson, Eugene Kim, Brenden Le, Joe Le May, Paxton Leroux, Cameron Milligan, Matt Perras, Kyle Poast, Evan Rutherford, Zack Wainman and coaches Randy Riel, Taylor Evans, Rob Hope, Cory Vitarelli, and Matt Crough.

Thank you again to Greg Reid and his committee for hosting a wonderful festival and we look forward to watching the sport of field lacrosse grow at the high school level.

OFSAA Boys' AAA/AAAA Field Lacrosse Festival

Ottawa June 2 - 3, 2011

Long-time lacrosse enthusiast, OFSAA Sport Advisory Committee member, teacher-coach, and now festival convenor, Al Smith of St. Matthew CHS (NCSSAA) led a team of committed volunteers in hosting the 2011 OFSAA Boys' AAA/AAAA Lacrosse Festival.

Using the facilities at Carleton University and the Nepean Sportsplex, athletes were treated to great fields in order to showcase the always improving talent of high school lacrosse.

The festival banquet was hosted at Sala San Marco where athletes and coaches were able to satisfy the large appetite created by a full-day of hard hitting lacrosse action.

The meal must have provided just what the students needed, as competition heated up on day two with last year's gold medallists St. Michael's College (CISAA) reclaiming their title with a 12-7 win over Paul Dwyer CHS (LOSSA).

Congratulations goes to Todd Stewart, Christian Barker, JD Brachman, Anthony Davis, Justin DeMarchi, Georgian Dimopoulos, Joseph French, Alex Guiney, Domenic Lisi, David Miller, Mason Moriyama, John Mullen, Patrick Paolini, Jack Ranson, Jonathan Rudyk, Ryan Zwolinski, Cole Bardawill, Brandon Bourque, Michael DeMarchi, William Loumankis, Andrew Mullen, Brennan Donville, Michael Dowell, Alex DeGagne, Jamie Dowell, Adrian Torok-Orban, Tanner Thomson, Thomas Staples, Tyler Albrecht, Tyson Gibson, Gregory DiTommaso, Riley Mocha, and coaches Alex Frescura, Dean French, Josh Shewell, Angus Dinely, and Matt Pagano.

In an exciting gold medal game against Ancaster HS (that went into two extra innings!) Holy Names HS (Windsor) went on to win the OFSAA Baseball Championship at the Rogers Centre 5 - 4. Both teams were presented with their medals in a ceremony at home plate by former Blue Jays second baseman and Hall of Fame inductee Roberto Alomar. Roberto also presented the Prentice Cup to the captains from Holy Names.

Despite a rainy spring which saw the regionals pushed back a day, great conditions and, more importantly, some great baseball were the major stories at this year's OFSAA Prentice Cup Baseball Championships.

Paul Rebelo from Bishop Allen in the west and Geoff Whent from Sinclair in the east and their committees did an outstanding job in organizing the regional

competitions. OFSAA very much appreciates the experience they provided for the high school baseball athletes

The semi finals and finals were played over two days at the Rogers Centre. OFSAA thanks the Toronto Blue Jays for providing the Rogers Centre and support staff to make the championships a memorable event for all student-athletes involved. A very special thank you to T.J. Burton and Rob Jack of the Blue Jays who provided the competitors with a major league experience during their two days at the Rogers Centre.

Thank you also to Roberto Alomar, who took time away from the MLB Draft to watch the final and present the championship medals.

OFSAA Boys' A/AA Rugby

Belleville June 2 - 4, 2011

Experienced convenor David Whitney of Bayside SS (COSSA) provided the leadership for this year's OFSAA Boys' A/AA Rugby Championship in Belleville.

COSSA, known for its deep rugby roots, had three entries into this year's championship and were determined to perform well in front of the home town fans.

Following day one of competition, participants put their battles on the field behind them and enjoyed a wonderful meal at the championship banquet.

Once everyone was fed, a deceptive organizing committee managed to keep the convenor from knowing he was selected as the Leadership in School Sport recipient until his name was announced.

A very humble David Whitney, was presented with the award for his over 25 years of high school coaching particularly in hockey and rugby.

David has been an active volunteer, hosting OFSAA Championships in Girls' and Boys' Rugby and Girls' Hockey, as well as being President of the Bay of Quinte Athletic Association and a member of the COSSA Executive.

Heading into the final days of competition, the host association schools did not disappoint, making up three of the four teams playing in the semi-finals. However, in the end, a strong Barrie Central CI

(GBSSA) captured the gold with a 6-0 win over defending champions Trenton HS.

Congratulations to Byron Boville, Eric McCrea, Gary Smith, Jesse Twigg, Franklin Guillermo, Dylan Atkinson, David Petras, Sean Harrison, C.J. Hudson, Ian Jones, Chris Maybee, Jake Boulding, Patrick Berardi, Damon Vance, Joel Charron, Blair Elliott, Andrew McFadden, Cam Sinclair, Mac Chown, Mark Baker, Kyle Clarke, Dustin Morden, Craig Anderson, Eric Charest-Pekeski, James Johnson, Josh Butt, Braden Atkinson, Akiel Gormandy, Tim Klodnicki, Evan Mallett, and coaches Ron Andres, Steve Porter, and Jay Malandrino.

The committee is pleased to announce that FE Madill SS (WOSSAA) is the recipient of the OFSAA Team Sportsmanship Award.

The team demonstrated great sportsmanship and a mature attitude in both victory and defeat and should be congratulated, along with their coaches, for being role model student-athletes.

OFSAA Boys' AAA/AAAA Rugby

Oakville June 1 - 3, 2011

The beautiful city of Oakville was host to this year's Boys' AAA/AAAA Rugby Championship.

Thanks to convenor David Schaffler (Oakville-Trafalgar HS) and the hosts at Crusader's Park, teams were treated to an outstanding tournament which will be sure to leave lasting memories.

Besides having access to first class rugby fields, participants were fortunate to have a banquet at St. Volodymyr's Cultural Centre where the convenor ensured no one was left hungry. The banquet also set the stage for the presentation of the Leadership in School Sport Award, which went to the well deserving convenor David Schaffler. Besides convening OFSAA, David has coached high school rugby for almost 20 years at both the junior and senior levels. He has a true passion for rugby and was responsible for starting the girls' rugby program at Nelson HS. David brings a positive attitude to his teams and always pushes them to do their best.

The seeding committee had a number of difficult decisions to make looking at the teams in this year's

tournament as many of the teams took turns beating each other throughout the season. However, in the end the number one and two seeds squared off in the gold medal match. Avenging an earlier season loss, the spirited team from Uxbridge SS (LOSSA) upset the top seed from Stouffville DSS (YRAA) 24-7.

Congratulations to Uxbridge team members Lee Cowie, Ryan Croxall, Shawn Cupples, Christopher Gladney, Shaun Kernohan, Tyler Mackinnon, Cody McKenzie, Scott Simmonds, Dylan Smith, Scott Sopel, Donald Will, Eric Wintjes, Kyle Banton-Jones, Casey Belli, Michael Boehm, Richard February, Alistair Gabb, Mitchell King, Graham Klammer, Graham Marsden, Nathaniel Mills, Dylan Ross, Jacob Wilson, and coaches Brian Manorek, Paul Connelly, and Peter Clayton.

The convenor and his committee were also pleased to award the OFSAA Team Sportsmanship Banner to Glebe CI (NCSSAA) for their fair play and positive attitude throughout the tournament.

Thank you again to David and his committee for hosting a wonderful event that many hope will be back in Oakville sooner than later.

All eyes were on three-time gold medal winners Trenton HS (COSSA) as they returned to uphold their title at this year's 2011 Girls' A/AA Rugby Championship.

Teams knew that they needed to raise the competition to another level to unseat this challenging team.

Over the course of a few games and the gold medal match it became obvious that Trenton HS was once again unstoppable, despite the valiant effort made by their competitors.

Congratulations to team members of Trenton HS; Raven Roe, Rachel Maynard, Jenna Verreault, Hannah Wilson, Sara Galloway, Alicia Hamilton, Shannon Lee, Samantha Mcmurter, Avery MacIntosh, Katarina Small, Justine Dodds, Morgan Houde-Pearce, Robyn Neri, Maxine Dinham, Megan Dustin, Keisha Evans, Carly Frost, Jennifer Kelly, Lindsay Kelly, Brooke Lloyd, Alison McWhirter, Caroline Rolf, Cassidy Suijker, Caitlin Taylor, Tenecia Williams, Amanda Rittwage, Jessica Genereaux, Brittney Whiting, Tanya Hasenberger,

Tomara Harmond, Zoe Hiscock, Kirsten Whaley-Smith, Lexi Allison and coaches Jennifer Reid, Brian Meindl, and Tom Gauthier for their gold medal win.

Thank you to the OFSAA 2011 Girls' A/AA Rugby Championship, convenor Todd Murray for his commitment and hard work on this great championship. This championship could not have run without you and your dedicated organizing committee.

Congratulations also go to OFSAA Team Sportsmanship winners from Mentor College in Mississauga (ROPSSAA). Your attitude on and off the field is an example to us all.

The OFSAA Leadership in School Sport Award was given at the banquet to Thomas "Bubba" Gauthier from Trenton HS (COSSA) for his dedication to student athletes and the game of rugby.

Tom was instrumental in starting a boys' rugby program in the 70's and the girls' rugby program in the 90's at his school. Even after retirement he continues to coach, mentor and be a role model for coaches and students alike. The Trenton rugby legacy would not be what it is today without his commitment and guidance.

OFSAA Boys' A Soccer
Windsor June 2 - 4, 2011

Windsor was once again the hot spot for OFSAA soccer, both because of the number of championships hosted there, and because of the 40-plus degree temperatures on championship day.

Paul "Doc" Thomas of Academie Ste Cecile (SWOSSAA) led his committee in hosting their second of three consecutive OFSAA Boys' A Soccer Championships.

This committee, that will soon be able to write the book on hosting soccer championships, did not disappoint. Using a venue that allowed for all four fields to be at one site kept things simple for coaches, volunteers, medics, and organizers. And as has become of trademark of Doc's championships, the national anthem is played prior to every match. It was a fantastic site to see all four fields having teams line up at centre, standing proud for the anthem and upon its conclusion shaking their opponents' hands. This really helped set the tone for each game, bringing the team closer together, adding prestige to the event, and creating that respect for your opponent before the ball had even been put into play.

Following a busy first day, the teams retreated to the Caboto Club where they joined teams taking part in the OFSAA Girls' AA Soccer Championship for a combined banquet. The Leadership in School Sport Award was presented to Mike McKittrick of Catholic Central (SWOSSAA). Mike has dedicated himself to coaching badminton, basketball, track and field, and soccer at the high school level for over 30 years. He has also volunteered as athletic director and sat on the WESSAA

and SWOSSAA Executive, along with convening multiple OFSAA championships, including Boys Basketball, Boys Soccer, Girls Soccer, and already has committed to hosting three more OFSAA's in the next two years. Congratulations to Mike for all his work and continued passion for school sport.

After three hard fought days of soccer, Guido de Bres (SOSSA) emerged as repeat champions with at 1-0 win over E.S. Jean Vanier (SOSSA).

Congratulations to team members, Nick Dantuma, Matthew Wieske, Steven Boot, Nathaniel Schutten, Matthew deBoersap, Justin Bos, Gavin VanLuik, Tyler Schutten, Evan VanderVelde, Gavin Wieske, Andrew DeJong, Bryan VanDasselaar, Keegan Lodder, Adriaan de Visser, Kyle Jager, Joshua Nobels, Luke Nordeman, Austin Schulenberg, Devon Sloots, Michael Zwaagstra, and coaches Timothy Wildeboer and James Lof.

Congratulations also goes to Woodland Christian HS (CWOSSA) for being awarded the Team Sportsmanship Banner. The team impressed convenors and coaches with their fair play and general positive behaviour.

OFSAA Boys' AA Soccer
Windsor June 2 - 4, 2011

Repeat convenor JJ Dowhan (WC Kennedy CI) and his committee once again hosted an outstanding OFSAA Boys' AA Soccer Championship in Windsor.

Despite all the spring rain, the fields used were in fantastic condition with athletes being treated to playing the medal matches at Windsor Stadium.

Sun-filled days with a nice breeze provided perfect playing conditions during the first two days of the tournament. There was a lot of depth in the field this year, with most games finishing within a goal of each other.

On day 3, as the humidity levels climbed to over 40 degrees, a determined team from St. Christopher SS (SWOSSAA) took home the gold with a 1-0 win.

Congratulations to team members Ryan Greenwood, Corey Jackson, Thomas Moxley, Mark Spinozzi, Pietro Restivo, Michael Rocca, Patrick Brennan, Christian Savo, Oren Bell, Danielo Bucci, Chris Kerwin, Anthony Petrucci, Matt Stewart, Austin Spearman, Alex DeCarolis, Rodney Reese, Luke Garrett, Dillon Grondin, Michael Fazzalari, and coaches Richard Prudom, Angelo DiMuzio, and Vince Flamia.

The banquet was held at the Serbian Centre where athletes and coaches received healthy servings of pasta, chicken, vegetables, salad, and desserts.

Guest speakers from St. Clair College and the University of Windsor provided positive messages about continuing their athletics into post-secondary education and a number of draw prizes kept athletes attention.

The Leadership in School Sport Awards was presented to Angelo Geremia of St. Anne HS (SWOSSAA) where he has been a teacher-coach for over 22 years with the senior boys' soccer team.

Taking his philosophy of "play the game with desire and pride" to his students has helped inspire many of his athletes to do their best and learn to adapt to an ever evolving sport such as soccer.

Amazingly, St. Joseph's HS (WOSSAA) was named the winners of the Team Sportsmanship Banner for the third year. The committee and OFSAA thank the school, and in particular the coaches, for leading by example and being role models for all schools.

Once again thank you to JJ Dowhan and his committee for their two years of dedication to hosting wonderful championships.

OFSAA Boys' AAA Soccer

Kingston June 2 - 4, 2011

The OFSAA Boys' AAA Soccer Championship made its return to beautiful Kingston this spring, with convenors Colin McCue and David Loken of Kingston C & VI welcoming the province to their city.

Playing hosts may be an understatement as participants were entertained from start to finish with numerous activities, and an almost festival-type atmosphere, and this is in addition to the soccer championship taking place.

After day one of the championship, teams were invited to the Fort Henry National Historic Site for a banquet meal, military demonstration, and guest speakers.

This also included the presentation of the Leadership in School Sport Award, which was given to Kim Latourell of La Salle SS (EOSSAA). Kim has been involved as a teacher-coach for over 30 years and has dedicated his time to coaching soccer, hockey, and football. He has also dedicated time as a committee volunteer including assisting with the hosting of the OFSAA Field Hockey Championship.

As competitors took to the field on day 2, there was still much to decide regarding who would qualify out of

the pool play. The strength and equality of this year's championship was further demonstrated in the playoff rounds, where seven of the eight matches finished with 1-0 scores, including the gold medal match which saw Corpus Christi CSS (GHAC) emerge victorious over RS MacLaughlin (LOSSA).

Congratulations to team members Silent Nyamushanya, Brett Blaszkowski, Gustavo Coelho, Eric Creavalle, Kyle Fraser, Matt Smiarowski, Brandon Soloman, Troy Pukerin, Nicolas Meija, Matt Colalillo, Abdullah El Badry, Julien John, Devin Lio, Michael Lopes, Juan Lopez, Sean Malizia, Daniel Wise, Nathan Wise, Bishoy Girgis, and coaches Rob Biturajac, Francis Spadafora, and Tomaz Skrban.

Also to be congratulated is the team from Cardinal Newman CHS (TDCAA) for being awarded the Team Sportsmanship Banner. The convenors indicated that this selection was made because the team "played a highly skilled brand of soccer while maintaining a positive and supportive attitude toward teammates and opponents."

OFSAA Boys' AAAA Soccer

Mississauga June 2 - 4, 2011

Mississauga played host to this year's Boys' AAAA Soccer Championship. Using the turf fields at Icelands and the Hershey Centre, athletes were treated to some of the nicer facilities in the City.

Convenors Robert Tucci (Our Lady of Mount Carmel CSS) and David Tucci (St. Francis Xavier CSS) were determined to host a first-class event and they did not disappoint. The championship kicked-off with a banquet dinner at the Mississauga Convention Centre, which provided the student-athletes the fuel they would need for three intense days of competition.

During the banquet, Michael Maiola of Our Lady of Mount Carmel CSS (ROPSSAA) was presented with the Leadership in School Sport Award. Michael has dedicated over 33 years to coaching soccer and volleyball in the high school system. He has been an advocate for improving physical activity programs from special needs students and has been an athletic director for over 25 years.

An early morning saw the start of a competitive tournament played under sunny skies and ideal soccer conditions. However, once the semi-finals were set and day three began, the skies clouded over and the GTA was hit with what appeared to be a rotating storm bringing heavy rain, lightning and thunder. As a result, schedules needed to be changed and games were

delayed but as expected the strong organizing committee had contingency plans in place and additional fields booked up until 11:00pm.

Eventually all the games were played including the gold medal game which saw local team St. Edmund Champion (ROPSSAA) defeat Holy Names (SWOSSAA) 4-3 in extra-time. Congratulations goes to team members Alexandros Halis, Chris Nanco, Anthony Osorio, Aaron Furtado, Rakeem Roberts, Adam Amaro, Daniel Ruiz, Dennis Aguirre, Joshua Preh, Andrew Gunness, Julian Trotman, Nicholas McDonald, Kingsley Boasiako, Christopher Wrona, Konstantinos Mermigas, Harman Tumber, Tarik Robertson, Jared Agyemang, Cyle Larin, Andrew Okungbowa-Ikponmwo, Joren Ramsay-Marshall, Jamaal Coke, Jamie Scott, and coaches Carmelina Galati, Greg Spagnoli, and Justin Camilleri.

York Mills CI (YRAA) should also be congratulated for being awarded with the Team Sportsmanship Award for their strong disciplined play and positive attitude demonstrated throughout the championship. Thank you to those athletes and coaches for being role models to all student-athletes.

OFSAA Girls' A Soccer

Pain Court June 2 - 4, 2011

Twenty teams arrived in Pain Court, bringing a fierce competitive spirit to the fields for the 2011 OFSAA Girls' A Soccer Championship.

Many thanks go to Mike Schinkelshoek and his committee for a hosting such a well-organized event, which required many hours to make this a memorable experience for the teams.

The 2008 OFSAA Champions, Smithville District CHS (SOSSA) were ready to bring the title back to their school, but faced tough competition playing against last year's Champions É.S. Macdonald-Cartier (NOSSA). In an exciting championship match, Macdonald-Cartier ended up taking the 2011 championship title, with a final score of 4-2.

Congratulations to É.S. Macdonald-Cartier successfully defending their title as OFSAA Provincial Champions. Team members included Tanya Audet, Ashley Béchar, Mélanie Bélanger, Sophie Benoit, Karolyne Blain, Talia

DiMarco, Caitlin Fournier, Brigitte Gélinas, Elyse Klassen-Champagne, Cloé Lacasse, Maxime Lapierre, Stephanie Legault, MandyPaquette, Shiayanne Phillips, Courtney Paquette, Natalie St-Laurent, Karyne Valiquette, Stéfanie Vallée, and coaches Raymond Chevrete and Nicole Chevrier.

Congratulations to OFSAA Leadership in School Sport Award winner, Brenda Riddell from Ridgetown District HS (SWOSSAA) for her many years of dedication to school sport. Brenda has always encouraged athletes to focus on what they have, not what they don't have and her teams play with heart and hustle no matter what the result says championship convenor Mike Schinkelshoek.

One team rose above the rest in their display of sportsmanship, securing the OFSAA Team Sportsmanship Award banner. Congratulations to Charlottenburgh & Lancaster DHS from Williamstown (EOSSAA) for demonstrating great spirit and teamwork.

OFSAA Girls' AAA Soccer

Hamilton June 2 - 4, 2011

The extreme weather conditions in Hamilton could not dampen the enthusiasm of the organizing committee or athletes and coaches at this year's Girls' AAA Soccer Championships. Excitement could be felt throughout the fields despite the mix of blazing sun, humidity, and rain.

The championship would not have been possible without the enthusiasm, hard work and problem solving skills provided by the St. Mary's CSS (GHAC) committee, lead by John Ivinac and Lora Boekhorst. To the relief of many, the hosts successfully secured an indoor playing facility at the last minute which ensured the Championship were not washed out and the games were played as scheduled.

The St. Paul Pariots returned to defend their 2010 Championship title and would face some stiff competition this year. St. Paul was defeated by finalist Northern CI & VS in quarter final play but regrouped to claim the bronze.

The action heated up in the gold medal game as É.S.C.

Louis-Riel battled Northern CI & VS, with Louis-Riel being the ultimate victor.

Congratulations to team members Kayla Adamek, Catherine Amyot, Laurianne Brissette-Lesage, Nathalie Campeau, Haisha Cantave, Vanessa Gilles, Melissa Guenet, Chloe Houlton, Carol Ann Hutchinson, Arielle Kabangu, Melanie L'Heureux, Melanie Lacasse, Kristy McGregor-Bales, Morgan McNeil, Alexie Morin-Holland, Anais Robert, Jamie Ryan, Kelsey Saha, Sydney St-Germain, Head Coach Joe Fournier, Assistant Coaches Brianna Smith, Marie-ElyseMcGuire, Shawn Main, Francois Cholette, and Glen McNeil for their 6-2 win over Northern CI & VS in the gold medal game.

At the banquet the OFSAA Leadership in School Sport Award was presented to this years' Co-convenor and long-time soccer coach, John Ivinac from St. Mary's CSS in Hamilton. John displays the spirit of dedication to the students and sport by holding soccer clinics throughout the year, hosting numerous OFSAA Championships and mentoring athletes year round.

The OFSAA Team Sportsmanship Award went to St. Ignatius SS from Thunder Bay (NWOSSAA) for their positive attitude toward other teams as well as their own players. Congratulations to St. Ignatius for representing your school so well on and off the field!

OFSAA Girls' AAAA Soccer

Thornhill June 2 - 4, 2011

Despite the mixed bag of weather at the 2011 OFSAA Girls' AAAA Soccer Championship in Thornhill, convenor Ralph Sturino and his organizing committee were prepared and ready for the action as teams around the province showed up ready to fight for the championship title.

Thank you to Ralph and his organizing committee for putting on a fantastic and successful championship. Their hard work and dedication to this event paid off.

The quarter final matches were packed with excitement and intensity, and many final scores reflected close games.

In an exciting gold medal game, the Mother Teresa Spartans (WOSSAA) shut out the Holy Trinity Titans (GHAC) 2-0 to win the championship.

Congratulations to the team members of Mother Teresa: Lauren Cantin, Katrina Moore, Maria Nelms, Hannah Williams, Mirella Mazza, Brieanna Charlebois, Emilie Campbell, Chantelle Campbell, Erica Mack, Alex Rowe, Ali MacAulay, Alex DeClerck, Lauren Elliot, Courtney James, Heather Maclsaac, Emma Mackie, Victoria Marshall, Sarah Mellick, Ally Sands, Sam Szypula, Shelby Telfer, Chyla Wuytenburg, and coaches Steve Floyd, Suzanne Larouche, Christian Finkenzeller, and

Marc Casaubon.

The Spartans did not let in a single goal over the course of the entire tournament, an amazing accomplishment considering the competitors they faced.

The banquet was an event to remember, with a professional singer serenading the athletes, and Character Athlete Awards handed out to one individual per team. The recipients of these awards demonstrated valuable characteristics on their team throughout the season, such as respect, empathy, courage, initiative, and perserverance.

The team from St. Thomas of Villanova SS (SWOSSAA) is congratulated for winning the OFSAA Team Sportsmanship Award and embodied the positive attributes of school sport. The girls represented the spirit of the game and philosophy of sportsmanship throughout the competition.

The OFSAA Leadership in School Sport award was given to soccer coach, Bruno Colucci of Father Bressani HS (YRAA) in Woodbridge for his longstanding commitment to the success of student athletes.

Bruno was the first teacher in York Region to organize a Junior Girls Soccer Tournament, which has since been extended to include visiting schools and a Senior division. Both of these tournaments have been running for almost 20 years - a true reflection of Bruno's dedication and success.

OFSAA Tennis

Toronto May 30, 2011

On Monday, May 30, more than 360 tennis players from 150 schools converged on the tennis courts at the Rexall Centre and York University in Vaughan for the start of the 2011 OFSAA Tennis Championship.

The weather was unseasonably hot and humid, and by Tuesday, three tennis courts began to bubble from the heat, eventually deemed unplayable.

Throughout the three days of tennis, spectators witnessed countless edge-of-your-seat tennis matches. Congratulations to all the participants who qualified and participated in the championship. The coaches must be commended for making this possible.

OFSAA would like to thank convenor Michael Robinson from Lakeshore CHS in Port Colborne, as well as his organizing committee of Tami Hawkins, Dave Hawkins, Mary Jane Robinson, Dave McCallum and all the numerous volunteers involved in making the championship a success.

The Leadership in School Sport Award was presented to Tami Hawkins, who is presently the Head of Physical Education at Honourable W.C. Kennedy Collegiate in Windsor. She also sits on numerous committees with the board, and over the past five years, Tami has been on the OFSAA Tennis Sport Advisory Committee and a member of the organizing committee. She was instrumental in moving OFSAA tennis from a Festival to Championship status. During this time frame, OFSAA tennis has increased from 120 participants to 363 participants.

Congratulations again to all athletes, and the medal winners listed below.

When you pick up the Spalding TF-1000 ZK Pro,
you touch greatness. It's the same TF-1000 the
nation's top collegiate players play, only better.

The addition of superior foam backing under full
ball pebbling makes handling even more precise.

Feel the difference. Play with greatness.
