SPORT SPECIFIC DIRECTIVES

1. Championship Structure and Procedure

- a) Convenors, whenever possible, should ensure that all participating teams are rotated throughout all Championship sites during the preliminary rounds of competition.
- b) Wherever possible, convenors should make an effort to ensure that no participant is eliminated on the first day of competition.
- c) Convenors, whenever possible are to host the championship and consolation rounds at the same site.

2. Entry

- a) In the event of an Association not having a full entry or in the event of a late cancellation, the host Association is allowed an additional entry in that event and will be placed in a draw at the discretion of the Championship Convenor.
- b) The host association may enter four (4) competitors in each event.

3. Seeding

- a) Current ratings must be obtained from the Ontario Badminton Association. A maximum of eight (8) positions in each event shall be seeded. If at all possible Ontario-ranked players should not meet in the first round. Players from the same Association should be placed in opposite halves of the draw in all flights, including both sides of a double elimination (i.e. players from the same Association should not meet one another until as late as possible in the draw.) In the case where the host Association has more than two entries because of an incomplete entry or cancellation, these entries should be placed as far apart as possible in the draw.
- b) When creating the draws it is essential that for every association, their two entries are to be placed in the draw such that they are either placed in the 1st quarter and the 4th quarter OR placed in the 2nd Quarter and the 3rd Quarter. As the Host and TDSSAA each have four entries, the Host Association and TDSSAA should have their 1st and 2nd placed teams placed in a top half quarter and a bottom half quarter on opposite halves of the draw, and the 3rd and 4th teams in the remaining quarters.
- c) A maximum of eight (8) positions in each event shall be seeded. Seeding should be established by:
 - (i) consultation with the Ontario Badminton Association and is to be based on the provincial and district championships of the current and previous years;
 - (ii) results from the previous OFSAA Championships.
 - (iii) As soon as the entries have been received create a list of players and teams alphabetically by Association and in order of their first and second place finishes. This must be done in each of the five (5) events. This information should then be sent to: The OFSAA Badminton Seeding Committee with copy to the OFSAA Office and Sport Advisory Committee Chair.
These representatives would then make their recommendations for seeding the top eight players or teams for each event, and are to inform the convenor of their selections **within 24 hours.**

- d) Using this information, make certain that the players and teams are placed in the draw using the procedures outlined in sections 1 through 5 below.

1. Seeded players shall be placed as follows:

- number 1 placed in match #17
- number 2 placed in match # 24
- number 3 placed in match #21
- number 4 placed in match #20

If two teams from one Association are seeded in the top four, it will be a problem only if one of the following is the case:

Case 1: #1 and #4 are from the same association, or
#2 and #3 are from the same association

Case 2: #1 and #3 are from the same association
#2 and #4 are from the same association

To solve a problem of the type in Case 1:

Put the 4th seed in the #2 seed spot, and put the 2nd seed in the #3 seed spot and put the 3rd seed in the #4 seed spot. In other words, put the 4th seed into Match 24, put the 2nd seed into Match 21, and put the 3rd seed into Match 20.

To solve a problem of the type in Case 2:

Swap locations of the 2nd Seed and the 3rd seed. In other words, put the 2nd seed in Match 21, and put 3rd see into Match #24

Do not change the published order of the seeds on the draw, however.

- number 5 placed in match #19
- number 6 placed in match #22
- number 7 placed in match #23
- number 8 placed in match #18

The placement of the 5th through the 8th seeds shall be done ensuring that any particular association has one team in each of either, Quarter 1 and Quarter 4; or, Quarter 2 and Quarter 3.

2. Each of the first round matches, number 1 to number 16, shall consist of one first place finisher from one Association and a second place finisher from a different Association. The Host Association will have four (4) entries, their 1st and 2nd teams will be treated as 'first place finisher' and their 3rd and 4th teams as 'second place finishers' for the purpose of this Rule.

3. Once the top eight (8) teams have been placed, the remaining first place teams will be placed, by random selection, in each of the remaining matches. If two of the seeded teams are from the same Association, then one of the remaining first place

finishers must be selected, by draw, to play that seeded second place team. Where a second ranked team is seeded, the match that is played in the round before, the winner thereof playing that second ranked seed, should contain two #1 seeds.

4. From the Associations listed in the 1st Quarter of the draw, select by random draw, second places teams to complete the matches in the 4th Quarter. Then from the first place associations in the 4th Quarter, select by random draw second place teams to complete the matches in the 1st Quarter. Then, select by random draw second places teams from the Associations listed in the 2nd Quarter of the draw and complete the matches in the 3rd Quarter and complete the draw by selecting by random draw from the associations listed in the 3rd Quarter, second place teams to complete the matches in the 2nd Quarter.

5. Once the draws have been completed, the convenor or drawmaster should send copies to the Badminton Seeding Committee, OFSAA Office, and Sport Advisory Committee Chair. The convenor may make minor changes at this time taking care not to violate the placement in Quarters principles that have been emphasized throughout this procedure.

4. Officials

- a) The convenor shall be responsible for supplying at most one (1) Referee, if deemed necessary by the OFSAA badminton SAC Chair, and a minimum of one (1) Umpire, familiar with OFSAA Playing regulations, per competition site.
- b) The head official must attend the coaches' meeting, and is encouraged to hold an officials' meeting prior to the start of the first game, when possible. Otherwise the head official is responsible for communicating the information to all officials participating.

5. Medical

- a) Provision shall be made by the Convenor to have a medical doctor in attendance or readily available and to follow appropriate hygienic precautions with regard to bodily fluids and communicable diseases. (See Appendix IV to the By-Laws).
- b) Qualified first-aid personnel and equipment shall be available at the Championship site(s).
