

OFSAA APPLICATIONS TO HOST-PANDEMIC PROCEDURES

Thank you for your interest in submitting an application to host an OFSAA event!

To address the current pandemic situation, in September 2020, the OFSAA Executive Council passed the following motion:

“For all 2020-2021 OFSAA events cancelled due to the COVID-19 pandemic, the Executive Council approves any organizing committee from those cancelled events who chooses to host the next available opening for the 2021-2022 and 2022-2023 school years. If the next available opening is during the 2023-2024 school year and the organizing committee wishes to host the event, they must submit an application as per the current OFSAA 3 Year Calendar Policy.”

This affects new applications depending on which event you may be interested in hosting. Application bids WILL still be accepted, however, please contact OFSAA for information prior to completing and submitting an application.
