November 2021

On behalf of the Halton Catholic District School Board, I am excited to welcome all athletes, coaches, and volunteers to Halton Region for the 2021 Ontario Federation of School Athletic Associations (OFSAA) Girls' Field Hockey Championship.

While we still must maintain a number of health and safety protocols due to COVID-19, we are happy that student athletes are able to compete this year, and honoured to welcome to Oakville more than 300 athletes, coaches and volunteers from across Ontario.

Participation in co-curricular sports activities enhances the educational experience for students - providing a number of benefits that support their academic, social, emotional and physical development and well-being.

Congratulations to all the student athletes who have advanced to the OFSAA Championships! This accomplishment is a testament to your hard work and commitment to excellence. A special thanks to the coaches, parents and volunteers for your dedication and support.

I would like to thank the staff and students at St. Thomas Aquinas Catholic Secondary School and St. Ignatius of Loyola Catholic Secondary School for co-hosting this championship. I would also like to recognize, with gratitude, the members of the organizing committee for all the hard work and dedication that went into planning an event of this magnitude.

Good luck to all of the teams! We wish all of the participants success in this tournament, and hope that you will take with you many fond memories of good sportsmanship and camaraderie – both on and off the field.
